

How to Access EduTyping student keyboarding software used in

Ms. Wagemaker's Keyboarding classes

1. Go to Ms. Wagemaker's home page at www.mswagemaker.info
2. Go to the 'Keyboarding' class and click on the link for 'EduType'

3. At the EduTyping logon page, enter your School Id, Username, and Password given to you in class.

Your School Id should be '**Coginch25**'

The screenshot shows the EduTyping login page. It features a yellow header with the EduTyping logo and the text 'Welcome to EduTyping (Standard and Jr. Editions)'. Below the header, there is a section titled 'Please Login To Continue' with a message: 'You must log into your account to continue. Please consult your teacher for account information.' The login form includes three input fields: 'School ID' (containing 'coginch25'), 'Username' (containing 'student'), and 'Password' (containing '*****'). There is a 'Lost your account info?' link and a red 'Log In' button.

Click the 'LogIn' button. You should now see the EduTyping lessons and activities

Note: You may also access the software directly from any internet browser at <http://app.edutyping.com/student/>
